

Canada's Voice for
Brownfields Redevelopment

CBN Conference Registration Now Open – You Won't Want to Miss It!

CBN is pleased to announce the opening of registration for our 2019 conference, “Revitalizing Brownfields: Enriching Communities”, being held Wednesday, June 12 at Ryerson University’s Ted Rogers School of Management in Toronto.

Our theme this year is the various ways that brownfield redevelopment/re-use pays off for communities. Once again, we have a strong program for you, including some new sessions and some returning favourites:

- Keynote Speaker: Nelson Lepine, CEO of the Brownie Award-winning Carcross/Tagish Management Corporation (C/TMC). Through remediation of area brownfields, the C/TMC provided training for community residents, readied the sites for re-use and took important steps on the path of truth and reconciliation
 - Cross-country Check-up: your opportunity to hear from provincial regulators on recent legislative/regulatory changes affecting brownfields
 - Enriched Communities Case Studies: highlighting two communities, the benefits they achieved through brownfield remediation and re-development, and the ways they built partnerships with our industry
-

- **Legal Update:** jurisprudence is always evolving. During this popular session, you'll hear about legal cases in the past year that have affected (or will affect) the landscape for brownfielders across the country
- **Emerging Technology:** now in its 3rd edition, this popular session offers you rapid fire information on new and evolving technical solutions for remediation problems
- **Breakout Sessions and Plenary Regroup:** building on the conference theme, breakout groups will explore different facets of engaging communities on the benefits of brownfield re-use/redevelopment and, in a plenary session, will discuss their recommendations. This format, which we first used last year, is a well-received way to address real-world issues faced by brownfielders
- **HUB Awards:** join us as we celebrate individual excellence in brownfields with the 4th annual HUB Awards. See below for more information on submitting a nomination
- **Networking Reception:** what better way to relax after a day of work and learning than by enjoying the company of your peers at JOEY? Located close to the conference venue, this is your opportunity to unwind, catch up, make new connections, and help us celebrate our 15th anniversary

This promises to be another great event and, to sweeten the pot further, we're holding the prices at the same level as last year:

- **Earlybird Registration:** \$359.00 plus HST for members/\$459.00 plus HST for non-members. This rate is good until May 10, 2019

Reserve your place now – we're looking forward to seeing you June 12!

REGISTER NOW!

HUB Award Nominations Open – Nominate A Brownfield Hero Today!

CBN has been presenting the HUB (Heroes Underpinning Brownfields) Awards since 2016. They're given to recognize brownfielders who are making a significant contribution to the progress of brownfield redevelopment in Canada. There are three awards, each designed to correspond to a different stage of career growth:

- **Foundation:** Presented to a contributor to the brownfield industry in Canada who has had a profound impact on how things are done today. Their work has provided a Foundation upon which the current practices and policies have been based. This is a “career achievement” award
- **Pillar:** Presented to a recipient who has proven to be a Pillar of Strength in a significant aspect of the brownfield industry in Canada. They continue to provide valuable expertise and influence into the policies and practices that we are employing. The Pillar award is a mid-career award
- **Vision:** Presented to a relative new-comer to the brownfield industry in Canada and who is providing valuable insight into programs, policies or practices that will be improving how brownfield redevelopment in Canada is completed.

To submit a nomination, please contact the CBN [office](#).

Want to know what it takes to make a HUB winner? View the [2017](#) and [2018](#) winners to see!
